

2023 Joint Policy Committee
Proposed Policy Statement
Consent Agenda for Governing Council

Consent Agenda

The Joint Policy Committee (JPC) convened in an executive session on Sunday, November 12, 2023, to review the 2023 proposed policy statements and proceedings from the JPC Public Hearings. The JPC RECOMMENDS the following 5 proposed policy statements for adoption by the Governing Council:

A2- Partnering with Faith-Based Organizations to Improve Public Health and Vaccination Equity
A3- Supporting Youth Physical Activity Opportunities in Out-of-School Time Programs
B1- A Call to Stop Shackling Incarcerated Patients Seeking Health Care
B2- Protecting the Health and Well-being of People Living Unsheltered by Stopping Forcible Displacement of Encampments
C1- Falls Prevention in Adults Aged 65 and Over: A Call for Increased Use of an Evidenced-Based Falls Prevention Algorithm

Removed from Consent Agenda
