This document includes instructions for how to download and authorize [Adobe Digital Editions](#) and [Bluefire Reader](#) to your computer, iOS device and Android device.

Get an Adobe ID

If you do not already have one, visit the [Adobe website](#) to obtain a free Adobe ID.

A screenshot of the Adobe ID sign-in form. At the top left is the Adobe logo (a stylized 'A' in a square) followed by the text "Adobe ID". Below this is the heading "Sign in". There are two input fields: "Email address" and "Password". Below the "Email address" field is a checked checkbox labeled "Stay signed in" with the text "Uncheck on public devices." below it. To the right of the checkbox is a link "Forgot password?". At the bottom of the form is a large blue button with the text "SIGN IN" in white. Below the button is the text "Not a member yet? [Get an Adobe ID](#)".

Download Adobe Digital Editions to your Computer

Navigate to: <http://www.adobe.com/solutions/ebook/digital-editions/download.html>.

Click the link to download for Mac or Windows.

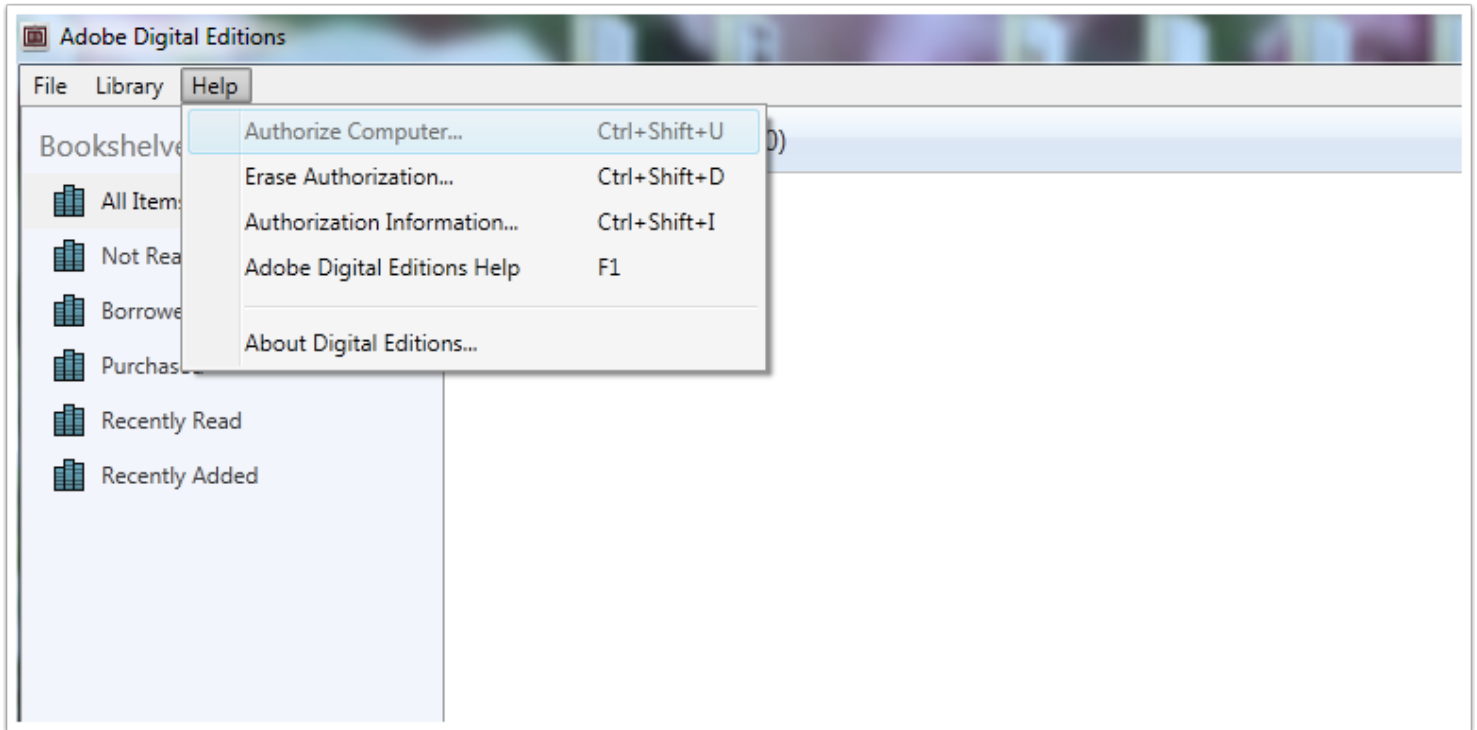

Run the installer on your device to complete the download.

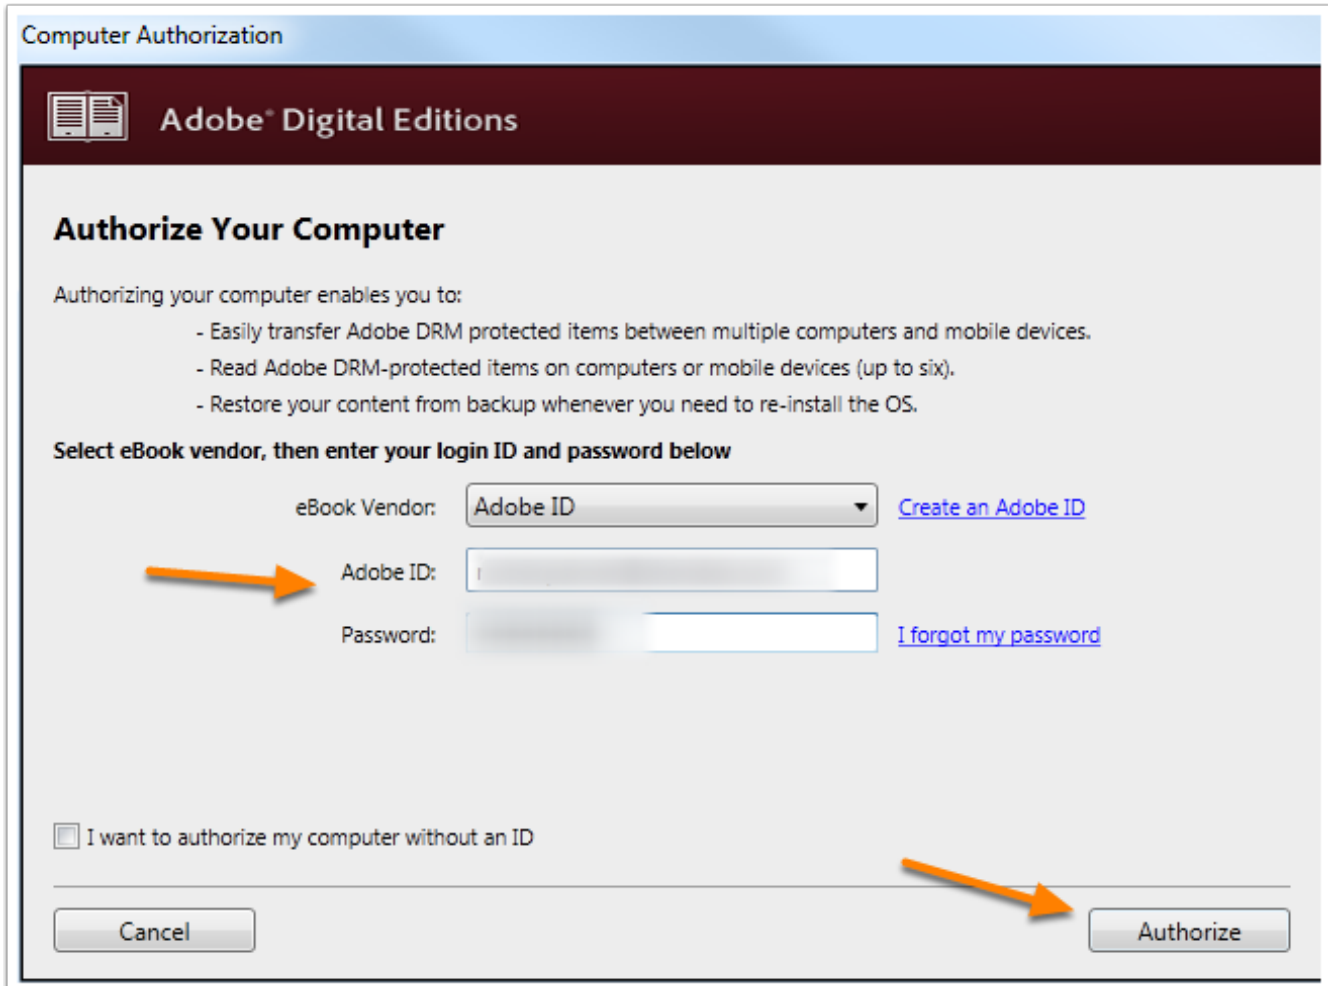

The screenshot shows a web browser window displaying the Adobe Digital Editions download page. The browser's address bar shows the URL www.adobe.com/solutions/ebook/digital-editions/download.html. The page content includes a navigation menu with options: OVERVIEW, TECH SPECS, FAQ, RELEASE NOTES, DOWNLOAD, and SAMPLE EBOOK LIBRARY. The main heading is "Adobe Digital Editions / Download". Below this, there is a section titled "Adobe Digital Editions 4.5.4 Installers" with the instruction: "Locate your preferred platform and click on it to download the installer. Then run the installer on your machine to install Adobe Digital Editions." Two download links are highlighted with an orange box: "Download Digital Edition 4.5.4 Macintosh (22MB)" and "Download Digital Edition 4.5.4 Windows (8.24MB)". At the bottom of the page, there are two buttons: "Download on the App Store" and "GET IT ON Google Play".

Authorize Adobe Digital Editions on Your Computer

After you have installed Adobe Digital Editions, authorize Adobe Digital Editions from the Help Menu.

Select Adobe ID as the eBook Vendor and enter your Adobe ID and Password. Click Authorize.

Computer Authorization

Adobe® Digital Editions

Authorize Your Computer

Authorizing your computer enables you to:

- Easily transfer Adobe DRM protected items between multiple computers and mobile devices.
- Read Adobe DRM-protected items on computers or mobile devices (up to six).
- Restore your content from backup whenever you need to re-install the OS.

Select eBook vendor, then enter your login ID and password below
