Grants

Each of the grants listed below entailed conducting studies and performing other analytical work related to the planning, development, organization, administration, evaluation, and delivery of public health programs.

Shah, G. (Principal Investigator), **Marshall, N. (Co-Principal Investigator)**, Samawi, H., Jones, J., Kimsey, L., Chopak-Foss, J., Mercer, K., & Newell, B. Grant entitled, "PHIT Workforce Development: Training in Informatics for Underrepresented Minority Students in PH (TRIUMPH) Consortium", Department of Health and Human Services Office of the National Coordinator, \$1.87 million [total consortium award \$7.98 million] (August 2021 - present). This grant will provide opportunities for the JPHCOPH to train underrepresented minorities in PH informatics and create a new MPH Informatics track in the college.

Marshall, Nandi (Principal Investigator), Telfair, Joseph (Co-Principal Investigator). Grant entitled, "Scholarship for Disadvantaged Students (SDS)", United States Health and Human Resources, Health Resources and Services Administration, \$3,250,000 (July 2020 - June 2025). This grant will financially support qualifying MPH and DrPH students to complete their program of study.

Marshall, Nandi (Principal Investigator). Grant entitled, "State Opioid Response (SOR) Adopt a School Program", Georgia Department of Behavioral Health, \$117,500 (1/31/2019-present). Dr. Marshall will lead a team to implement evidence based opioid prevention programming in a Chatham County high school.

YMCA of Coastal Georgia and Healthy Savannah. Grant entitled, "Racial and Ethnic Approaches to Community Health (REACH): Savannah/Chatham County H.O.P.E.", Centers for Disease Control and Prevention (CDC), \$3.4 million. (January 2019 - Present). As the Georgia Southern University representative on this grant, **Dr. Marshall** will lead a team to facilitate the photovoice process with African-American and Hispanic breastfeeding mothers in Chatham County, Georgia to identify barriers to care and community support for breastfeeding. This is one of the deliverables for year one of five.

Owens, Charles (Principal Investigator). Grant entitled, "Technical Assistance (TA) for Health Care Georgia Foundation for the completion of a resource guide for Community Development Financial Institutions (CDFI) and training workshop.", Health Care Georgia Foundation, \$15,000 (7/2/2018 - 10/1/2018). **As the lead** on this project, the team and I will be providing support to the development of a resource guide and lead a training for CDFIs focused on the social determinants of health.

Served as the **faculty advisor** for an Armstrong State University SPARC II grant entitled, "Armstrong Leadership Public Health Academy". Spring 2016

Healthy Savannah. Plan4Health. (April 1, 2015-April 1, 2016: Served on the **leadership and outreach** teams on behalf of Armstrong State University).

Marshall, Nandi (Principal Investigator), Plaspohl, Sara (Co-Principal Investigator, Grant "Implementation of the American College Health Association's National College Health Assessment at Armstrong State University", Armstrong State University, \$2,000 (January 2015 - June 2015).

Livingood, William (Principal Investigator), **Marshall, Nandi** (Co-Principal Investigator), Gonzales, Ketty (Co-Principal Investigator), Grant "Expanding the Evidence for Local Public Health QI & QA", Robert Wood Johnson Foundation, \$100,000 (October 1, 2011-June 31, 2013).
